The Sky's the Limit
July 13, 2024 – Aug 23, 2024

HFC Volunteers,

Since the beginning of Honor Flight Columbus, this organization and its loving and dedicated community have been blessed with thousands of Veterans wanting to take their Honor Flight. For years, the volunteers, sponsors, staff, and communities of HFC have come together to honor, share, and celebrate every Veteran who has flown with us. This fall, we are both humbled and thrilled to be flying our 10,000th Veteran on 10/10.

In honor of this milestone, we want to come together as an HFC family and meet **more** Veterans who are eligible to fly with us! We have created the *Sky's the Limit* initiative which will reward the HFC Volunteer who brings in the most eligible Veteran applications with a Guardian spot paid for by HFC on the 11/07/2024 flight.

***Sky's the Limit* Rules**

1. HFC Volunteer must meet the all of the Guardian requirements
2. The Veteran Application on the website has been updated to include a highlighted portion for the Veteran to write **your** name.
3. For an application to count towards your overall number, your name must be written in this highlighted portion when the application is received by the office. It is the responsibility of every HFC Volunteer to ensure their name is on the application in the correct place.
4. Only applications dated July 13, 2024 - Aug 23, 2024 are eligible for this initiative.
5. The HFC Volunteer who brings in the most applications will be announced surrounding the 10/10 flight and will fly 11/07. (This includes attending the mandatory guardian training on 10/24.)
6. Ties between HFC Volunteers are subject to a drawing for the Guardian spot on 11/7

We are grateful for your participation as we seek to reach every eligible Veteran in the counties HFC serves. The sky is truly the limit!

A handwritten signature in black ink that reads "Haley Wilkinson".
